One Parish Working Together

25th October 2026
Last Sunday After Trinity

Welcome to our worship today, week 8 of Sunday School For Grown Ups. In our reading from 1 Samuel, we hear the story of the young Samuel, who hears God calling him in the night but doesn't immediately recognise his voice. With a little help from Eli, Samuel learns to listen and respond. It's a story that reminds us that God can speak to anyone, at any age, and sometimes in unexpected ways.

How might God be speaking to you, and are you listening? Who can you help to hear God's voice?
Fr Alex takes the hot seat today to give his thoughts and then will lead us in digging deeper in our bible study on Wednesday.

Gift Aid, Envelopes & Giving Direct

Could you switch to Giving Direct?

We're approaching the time when we need to order more giving envelopes, but we'd love to encourage people to switch to Giving Direct instead. This diocesan scheme collects your regular giving by Direct Debit, handles all the Gift Aid paperwork and passes 100% of your donation (plus Gift Aid) to our parish, without taking a penny! It's simpler, saves us money on envelopes and take a little pressure off Steve our Gift Aid secretary. We ask you to please consider making the switch. Booklets are available at the back of church. If you need anything clarifying, just ask.

Ukraine

Despite our current Ukraine support ceasing, we still need items while we look for another. The following is needed:

- sanitary products
- toiletries
- Good bedding

Short Wood School

There is a Syrian refugee family recently started at the school. They have reached out to us for the following:

Sofa/chairs

Dining table and chairs

Do you have these items to spare? Or anything else you think might be helpful?
